FOR IMMEDIATE RELEASE

Subject: Your Gift Counts Today More Than Ever!

Nearly 5,000 Taney County kids are food insecure during the summer, and Christian Action Ministries—The Food Pantries of Taney County—has set out to make sure no Taney County kiddo goes without!

CenturyLink has graciously offered to match dollars (up to 75%) raised during June 5-June 16. All donations must be made online at www.centurylink.com/fooddrive. Donors will be able to visit the site, choose CAM as a beneficiary and make a financial donation via credit card or PayPal.

“This donation opportunity couldn’t come at a more important time as we’ve set out to help more children this summer,” says Elizabeth Hughes, CAM executive director. “Will you prayerfully consider giving during this time? CAM could not continue its ministry of food without His faithful. We are grateful for all that you do!”

Christian Action Ministries was formed 30 years ago when 11 churches came together to create a central location for food distribution to those in need within the community. CAM not only assists with emergency food for families in need, CAM volunteers also minister to clients on a deeper level by encouraging them and directing their paths to educational and other resources that will help them better their situations. For more information, go to www.christianactionministries.org or call 417-334-1157.
